Looking out for each other....

When you are new to the club, you can have a buddy who will show you how things work. We value friendships and the club is a great way to make new friends. We like our club members to be kind and friendly to each other. We sort out problems by listening and thinking about how both people are feeling. We think it is important to respect each other.

Can you join up the dots?

The Club...

We have the Smooth Club; you can come here from when you are in Reception, up to Year 3. We then have the Cool Club and you can come here from Year 3 to Year 6. Sometimes we have activities and we all mix together.

You can choose to chill out in the comfy cushions area, do your homework in the quiet zone, or use the Lap Top, Gaming or Camera stuff to have some fun. The club has plenty of books, crafts and cooking and the best thing is, you get to choose what you would rather do. The outdoor space is a door away and as long as the weather is not too bad, we have lots of outdoor games and activities to enjoy.

Showing off...

We have an imaginatorium for fun in the holidays and we put on shows here, we have outside art, cooking in the kitchen and we take lots of pictures so you can let your family know what you have been up to.

How about drawing out your name, make it as colourful or strange looking as you want....

Can you guess these words?

1. PPHAY
2. DAS
3. KLETIC
4. ILESM
5. BLUC

Food...

You can have breakfast, snacks and tea at the club. You help yourself to what you like to eat and we make sure that we listen to your favourite foods so you have a good choice.

Club Council...

The council are always looking for new members and anyone can apply. This is your chance to let us know how things are going and any changes you would like to make. The council run at least one activity a week and then let us know how it went...

School Walking Bus...

The walking bus takes you to and from school each day. You will need to wear one of the jackets, so that the staff can see you are part of the bus and drivers can **see you easily. Your key worker will help you with the rules for the bus and let you know about meeting you after school.**

Fire Alarm We have a fire drill every term and this will give you a chance to practise what to do if there is a fire. When you are new to the club, your key worker will let you know what you need to do.

The team... We have a great team of staff at the Club; their main job is to make sure you have a great time; they also like to join in the fun. They want to help you keep safe and they will make sure you know what the Club Rules are. They are great at helping you choose what to do and listening to what you think.

Key Worker...

When you join the club, you will have a member of the team who gets to know you really well. They can listen if you have any problems; cheer you on in the activities and give you any help you need.

Keeping Safe...

If you want to play outside then a member of staff will be there to help, watch and play with you, we ask you to wear your ID Band so that we can easily see you. If you want to pop to the toilet then just let your key worker know, they will give you your ID Band and make sure you are OK.
